OFFERING SERVICES TO MEET YOUR NEEDS

Holy Trinity Mausoleum for Mt. Calvary Cemetery, Topeka

**We're counting
on you to help
make this happen.**

With your help and support now,
construction could begin in 2016!

Major donor advances the prospect of construction

By the grace of God, major
donors from Topeka have come
forward with a donation to
cover 1/3 of the construction
cost. We welcome and
appreciate additional donations
from other Topeka parishioners.

Pre-construction sales begin

- Pre-construction sales are underway and will determine ground breaking for construction and the timeline for completion of the Holy Trinity mausoleum.
- Holy Trinity Mausoleum will be centrally located in the south side of the cemetery that faces 10th Street.
- Future plans call for the cemetery's main entrance to be relocated from Westchester Road to 10th Street.

Beautiful and sacred space to accommodate needs

Features of the Holy Trinity Mt. Calvary Mausoleum

- A variety of sizes of crypts for caskets and cremation niches.
 - 348 interior crypts
 - 224 exterior crypts
 - 200 glass-front niches
 - 100 marble-front niches
- Over 2,500 square feet of chapel space for committal services and memorial Masses.

Beauty and convenience

- Hand-crafted stained glass windows in the chapel and throughout the facility.
- Availability of the chapel for mausoleum entombment and committal services for ground burials during inclement weather.
- Key-pad, secure entry for families.
- Convenient and private office space to meet with Catholic Cemeteries staff throughout the week and on weekends.
