

GRASS MARKERS

DOUBLE DESIGNS

Bruce Memorials grass markers are designed to pay tribute to your loved one in a quiet and subtle way. These flat grass markers can be either set on top of the lawn or set in flush. They are the perfect choice for parks and cemeteries that restrict the use of above ground monuments. Skilled craftsmen take extra care selecting, cutting and carving the art and lettering from the variety of granite you have chosen.

This elegant memorial is created by gently placing a sculptured design on a lovely linen-effect border. Crowncrest provides an appropriate way to create meaningful memorialization.

All memorials illustrated in this leaflet are on Coral Grey Granite, with Flat Face Letters and Hammered Doric Vases.
