

The diagram is a site plan for Mt. Calvary Olathe Cemetery. It features a central vertical path that leads to a circular structure at the top. This circular structure contains a smaller circular area with a cross, and a compass rose is positioned just above it. The main body of the cemetery is divided into several rectangular sections, each filled with a stippled pattern representing graves. On the left side, there are two stacked rectangular sections. On the right side, there is one large rectangular section. The entire layout is enclosed within a double-line border. The text 'Mt. Calvary Olathe Cemetery' is centered in the middle of the plan. There are also several small 'EC' labels: one near the top of the central path, one at the bottom left of the main central area, and one at the bottom right of the rightmost section.
